

Fertility Center of California
A Reproductive Tissue CrvoBank

Agreement to Transfer Reproductive Materials From FCC

This AGREEMENT, made between Fertility Center of California, Inc (FCC) and the person named below (the Client) requests the transfer of reproductive materials from FCC to the cryobank/physician (herein called the cryobank) listed below in accordance with FCC's current policies and procedures.

TYPE AND AMOUNT OF TISSUE TO BE TRANSFERRED

- embryo(s) # _____ egg(s) # _____
- ovarian tissue # _____ testicular tissue # _____
- other _____ # _____
- sperm # of vials _____ (circle) IUI or ICI

Name of Person(s)/Donor Code of tissue: _____

It is understood that the undersigned cryobank acknowledges this request and will assist in the transfer of the specimens. Furthermore it is recognized by the client that events, beyond FCC and the cryobank's control, may occur during transfer and it is understood by all parties that neither the cryobank or FCC are responsible for any losses associated with the shipment of the specimens.

To authorize the transfer of the client reproductive materials from FCC to the cryobank to, please provide the requested information below. Have the document witnessed and return it to FCC in advance of the transfer date.

- I understand that FCC and the cryobank cannot verify, nor guarantee, the viability of the transferred tissues.
- The risk of long term storage of such specimens is assumed by me.
- I agree to hold FCC harmless for any damage done to specimens before, during or after FCC possession of such specimens.
- I also release FCC for any liability for mislabeled specimens which are transferred to the cryobank.
- I have read and understand the policies above and hereby authorize FCC to release my specimens to the cryobank

WHEREAS the patient has fully been advised and understands that there are certain inherent risks in the process of shipping and handling of the specimens during shipment, including but not limited to loss during shipment, and liquid nitrogen tank failure, that may render the specimens useless. The patient is will and assumes all of the risks; and;

WHEREAS, the patient fully understands and accepts the FCC, its laboratory directors and laboratory personnel do not assume responsibility or liability for the transportation, condition or survival of the frozen specimens.
